

Southeast Florida Chrysalis Team Sign – Up Form

In completing this form, I understand that I am offering my time and talents in service to God. I also understand that team membership is selected by the Team Selection Committee in response to the Holy Spirit. This means I may not be asked to be on a team right away and also that I will not be on every Chrysalis team. I am merely a tool to be used according to God's will and not my own. I understand as a volunteer I am committing myself to attending the required meetings and other responsibilities of team membership, including reunion grouping.
