## Instructions for completing sponsor form.

Please review the following reminders before sponsoring a candidate to the Walk to Emmaus.

### **Have you prayed about sponsoring your candidates?**

### **What is your purpose in sponsoring your candidates?**

Remember that the Walk to Emmaus is for the purpose of developing Christian leaders in the church, the family, and the workplace. The purpose of the Walk to Emmaus is **not** conversion, to repair marriages, to heal serious emotional problems, or other worthwhile goals. The team is not trained as counselors for serious emotional problems and those should be left to trained professionals.

### **Do(es) the candidate(s) have the physical and emotional health needed for a Walk to Emmaus weekend?**

The camp does not have medical facilities and is remote. Candidates who do not have the physical or mental health for a weekend should postpone their weekend until they are able. Please remember that there are 34 other candidates and the team must be able to serve them also.

### **If you are sponsoring a married couple, both husband and wife must make a commitment to attend.**

If there are any exceptional conditions which prevent both from attending, attach a note. Board approval is required for an exception. When they are invited to attend their weekends, **both** husband and wife must accept their invitations or they both must be rescheduled to a later weekend.

### **The candidate's pastor's signature is required.**

Pastors should be aware that a member or constituent is attending a spiritual weekend. If their pastor has not made a weekend, this may be an opportunity to introduce them to the Walk to Emmaus. If they have questions that you are unable to answer, please call the Registrar (see front for name and address).

### **Have the candidate(s) fill out the application form and return it to you.**

Review the application and see if there are any areas you should discuss with them. In particular, did they answer yes to "Has the Walk to Emmaus been explained to you?", do they have a pastor's signature, if married, are both husband and wife applying? Fill out the sponsor form.

**Send the application, sponsor form, and application fee to the Registrar.** Candidates are placed on the waiting list in order of postmark of **completed** application (application form, sponsor form, and application fee).

**Fees:** The total cost of the weekend includes the application fee and the weekend fee (see application form for amounts). The application fee is non-refundable and must be included with the application. The weekend fee is due at or before registration (Thursday night of their weekend). If paid before registration, and the candidate does not attend, the weekend fee is refundable. A scholarship for the weekend fee may be available if necessary (please attach explanation), but all applications must include an application fee.

### **You should receive a confirmation that the application has been received within 2 weeks.**

If you do not receive a confirmation, please contact the Registrar. You may wish to keep a copy of the application and sponsor forms.

### **When an opening for your candidate is available, you will receive a letter from the Registrar.**

Please be sure that you are able to fulfill your sponsorship duties and that your candidates are ready and available to attend. Return the reply to the Registrar. When your reply is received, your candidates will be sent an invitation for a weekend.

### **Stay in touch with your candidates.**

You are the contact point between your candidates and the Registrar. If they move or are unable to attend, contact the Registrar as soon as possible.

**Co-sponsors:** You may co-sponsor a candidate. All communications between the sponsor and Registrar will be made through the first sponsor listed.
